The amendments to the claims were made to remove the multiple dependencies. No new matter has been added by making these amendments.

We have also enclosed a copy of a Search Report issued by the UK Patent Office dated 9 December, 2004 on the corresponding UK application.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicant's attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

David Kren
